Education

UNIVERSITY OF TEXAS AT SAN ANTONIO- PhD Applied Demography *AUG 2021-MAY 2026*

- Advisor: Dr. Kara Joyner; Dissertation: Essays on Fertility Autonomy in Uganda

UNIVERSITY OF TEXAS AT SAN ANTONIO- MS in Applied Demography *AUG 2021-DEC 2024*

- Advisor: Dr. Kara Joyner; Capstone: Puerto Rico: How does fertility on the island compared to that of the Puerto Rican diaspora living in the mainland US?

LEHIGH UNIVERSITY- BA in International Relations and Economics with specialization in Sustainable Development and a certificate in Global Citizenship *AUG 2016-MAY 2020*

Work Experience

(+) TEMPORARY/ CASUAL RESEARCHER, INSTITUTE FOR SOCIAL RESEARCH AND DATA INNOVATION, University of Minnesota, Minneapolis, MN *JAN 2026-PRESENT*

● Carry out the analysis, literature review, and paper drafting for multiple publications on forecasting child nutrition in Kenya using climate and conflict factors

● Carry out the analysis, literature review, and paper drafting for a publication on how gender equity is influenced by climate and conflict factors in Uganda

(*) GLOBAL HEALTH DATA ANALYST, INSTITUTE FOR SOCIAL RESEARCH AND DATA INNOVATION, UNIVERSITY OF MINNESOTA *MAY 2024- DEC 2025*

● Sourced and harmonized global health (PMA/DHS), climate data (NDVI, CHIPS/CHIRTS) and conflict data (ACLED/ UCDP), modeled associations between spatial/ contextual factors (i.e. climate and conflict) and forecasted child malnutrition prevalence

●Coordinated with international team, presented results to funders/ at conferences

● Authored blogposts on how to analyze climate and health outcomes using R statistical software (see link here: https://tech.popdata.org/dhs-research-hub/)

(+) GRADUATE RESEARCH ASSISTANT to Dr. Katelyn Sileo, Assistant Professor of Public Health, UNIVERSITY OF TEXAS AT SAN ANTONIO *AUG 2021-MAY 2024*

● Managed data tracking and harmonization of NIH-funded gender transformative HIV and family planning intervention studies in Uganda

● Analyzed pre and post intervention data (quantitative and qualitative) to assess the impact of a gender transformative HIV intervention on clinic staff and patients (Clinicaltrials.gov, NCT05178979)

● Assisted in the writing of grant applications, publications, and presentations of findings at conferences

(*) RESEARCH COORDINATOR, MATERNITY CARE COALITION, PHILADELPHIA, PA *JULY 2020-JUNE 2021*

●Evaluated the success of Medicaid-funded maternal health programs using interview and survey data

●Analyzed and presented results on the company's transition to virtual services during the COVID-19 pandemic

(+) RESEARCH ASSISTANT, MATERNITY CARE COALITION, PHILADELPHIA, PA *JAN 2019-MAY 2020*

- Assisted in report and grant-writing and presented analysis to senior staff and donors

(+) RESEARCH ASSISTANT INTERN, CALVERT IMPACT CAPITAL, BETHESDA, MD *JUNE-AUGUST 2019*

- Cleaned excel database on agricultural impact investments in the global South

(+) MARKET RESEARCH INTERN, SOLTECH SOLUTIONS, BETHLEHEM, PA *MAY 2019-JAN 2020*

- Content creation for newsletters, social media posts and blogs
- Performed literature reviews on the architectural plant lighting industry

(*) IACOCCA INTERN, THE PATHWAYS DEVELOPMENT INITIATIVE BUDUDA, UGANDA *MAY- JULY 2017*

- Traveled throughout villages to collect biodata from microfinance groups
- Introduced community sports program to promote financial empowerment and family planning

(: full-time, +=part-time)*

Manuscripts Under Review

Luttinen, R.L., Schaefer, D., & Huang, Y. "Socioeconomic conditions and nonmarital fertility at the county-level – assessing the mediating role of midlife mortality". Submitted July 2025.

Luttinen, R.L., Muhumuza, C., Kiene, S., Wanyenze, R., Kershaw, T.S., Lule, H., Sekamette, S., & Sileo, K.M. A qualitative study on fertility preferences and barriers to fertility autonomy in rural Uganda. Submitted July 2025.

Reviewing

Population Research and Policy Review (x1)

Applied Demography Conference (x3)

Teaching/ Mentoring Experience

PRIMARY INSTRUCTOR: Introduction to Social Research in the Department of Sociology and Demography at the University of Texas at San Antonio. Spring 2025: 1/21/2025-5/16/2025

MENTOR IN LUMIERE INDEPENDENT RESEARCH PROJECT PROGRAM. Summer 2024: 6/18/2024- 8/20/24

GUEST LECTURING: Dr. Katelyn Sileo's Global Health class in the Department of Public Health at the University of Texas at San Antonio. *Introduction to Demography & Health.* 2/22/2023 & 9/6/2023.

Training

BERKELEY POPULATION CENTER, UNIVERSITY OF CALIFORNIA, BERKELEY- 9th Annual Workshop on Formal Demography *JUNE 2023*

SCHOOL FOR INTERNATIONAL TRAINING, Amman, Jordan – Jordan: Geopolitics, International Relations and the Future of the Middle East *JAN 2019-MAY 2019*

Competencies & Languages

R Statistical Software- Advanced

IBM SPSS- Advanced

STATA- Proficient

Github/Git-Proficient

Modern Standard Arabic- Intermediate

Spanish- Advanced/ Full Professional Proficiency

English- Fluent/ Native Speaker

Awards/ Funding

Graduate Student Professional Development Funding (2021, 2022, 2023, 2024)

College of Health, Community and Policy (HCaP) at UTSA Travel Grant (2021, 2022, 2023, 2024)

International Aids Association Annual Meeting Scholarship (2024)
